JCI is a prayer conference for youth, pathfinders, academies, college students, or anyone who seeks a deeper experience in Jesus to come together for spiritual growth and renewal. JCI is an excellent opportunity for young people to invite old friends back to church. You will also learn ways to impact your local church and community and make a significant difference.

2. **Who can participate?**

Anyone can be a delegate. A delegate is simply one who officially registers for this historic experience. There is no limit on the number of delegates from a church or pathfinder clubs. However, each package is limited to a certain number of participants for the event.
